Information Disclosure Statement

1. Preliminary Statements

Applicant submits herewith web information which he is aware that he believes may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patent ability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

2. Form PTO/sb/ 08B

Form PTO/sb/08B listing the information is attached herewith.

3. Copies of listed Information Items Accompanying This Statement

Legible copies of all items listed in Form PTO/sb/08B are attached herewith.

4. Identification of Person Making this Information Disclosure Statement

The person making this certification is the inventor who signed below on the basis of the information known to him as of the date signed below, which information is associated with the filing and prosecution of this application.

5. Time of submission

This information is being provided before receipt of the first office action. Therefore, no fee is required.
